Dear Tulanians:

We believe that campus dining is an essential component of the out-of-classroom experience, as it helps create camaraderie and build community among our students.

To create a complete dining experience, we offer flexible meal plans and fresh, well-prepared food served in a comfortable dining atmosphere. We are proud of our award-winning chefs! District Executive Chef Travis Johnson was honored in 2012 as one of the Best Chefs in Louisiana by the American Culinary Foundation, New Orleans Chapter. The same honor went to pastry chef Chris Cagandahan in 2015. These chefs and their culinary staffs cater to the tastes of Tulane’s diverse population, while designing menus that incorporate the rich culinary traditions of New Orleans and Louisiana.

We rely on customer satisfaction surveys, town hall meetings, comment cards, and our Dining Services Advisory Board to meet the ever-changing needs and interests of our students and the Tulane community.

In the following pages, you will see a selection of meal plan options, more than 25 on-campus dining venues and 25 off-campus venues tailored to meet anyone’s schedule. Please use this guide as a tool to help you decide which meal plan works best for you. We wish you luck for an exciting academic year and look forward to serving you.

All the best,
Tulane University Dining Services

Tulane University Dining Services is operated by Sodexo Campus Services, the world’s leading food and facility management service company.
Residential

Bruff Commons Dining Room, commonly referred to as Bruff, is centrally located on McAlister Drive and offers a dine-in, all-you-care-to-eat format. Our menus are designed to provide flexibility, variety, and freshness to our diverse student body, while at the same time incorporating the unique flavors of New Orleans and Louisiana. Although Bruff is designed primarily to meet the dining needs of resident students, there are flexible meal plans for commuter and graduate students as well. Dine at Bruff as often as you wish by selecting the meal plan option that best suits your lifestyle.

Serving traditional New Orleans cuisine, “around the world” dining, chicken breast and specialty sandwiches on the grill, gourmet pizza and daily soups, Bruff Commons has something for everyone. To enhance the menu, Bruff also features certified gluten-free meals, a hummus bar, a full bakery, Bruff’s Fruit Stand, a vegan grain bar, a build-your-own salad bar, a Greek yogurt bar, an allergen- and gluten-free zone, and a vegetarian entrée at every lunch and dinner.

Our dining staff and student advisory boards design and create themed events to celebrate holidays and the four seasons with special menus and guest chef appearances.

In addition to the Bruff Commons Dining Room, students on meal plans can take advantage of the Bruff To Go dining program, available behind Bruff Commons on the Bruff Quad and at the Drawing Board Café in the School of Architecture. With a meal plan swipe, students can choose between a hot vegetarian entrée or grab a pre-made sandwich or salad, plus a side dish and beverage. Bruff To Go is available Monday through Thursday, 10:30am-8:00pm, and Fridays, 10:30am-6:00pm.

**Bruff Commons is a 100% “for here” dining room. Please enjoy all the food you like when you visit. Taking food from the Bruff Commons Dining Room for later consumption is not allowed.**

**MEAL PLANS**

**How Meal Plans Work**

Tulane meal plans allow students flexibility, value and convenience.

The **Unlimited** meal plan offers unlimited meals as well as Wavebuck$ to use on campus and NOLAbuck$ to use at designated off-campus locations. Each **TU** meal plan has a specified number of Bruff meals the student is able to use each week or semester, Wavebuck$ to use on campus, NOLAbuck$ to use off campus, Extra Meals, and Quick Picks. The **Choice** plan offers 50 meals per semester, along with the option to purchase Wavebuck$, NOLAbuck$, Extra Meals, and Quick Picks.

Your Splash Card (Tulane ID) serves as your meal card. When using Bruff To Go, you will not be allowed to enter the dining room for a two-hour period.

Select meal plans include Quick Picks, which are predetermined meal options at on-campus retail locations that allow you to order, swipe, and go!

You may purchase additional Wavebuck$, NOLAbuck$, Extra Meals, or Quick Picks with the appropriate meal plan selection.

**Commuter Meal Plan Option**

This flexible retail dollar plan gives the student $300 in Wavebuck$ to spend at any Tulane Dining location on-campus and $25 NOLAbuck$ to spend at any specific off-campus location. Students on this plan also get a $2 discount off the Bruff Commons Dining Room door price. The Commuter meal plan allows the student flexibility to purchase additional Wavebuck$, NOLAbuck$, Extra Meals, and Quick Picks. This plan is not available to on-campus students.
# Kosher Meal Plan Option

The Kosher meal plan provides students with a convenient and delicious option for dining kosher at Tulane. Students who choose this plan will be provided with 15 meals per week from Rimon, located in the Tulane Hillel building at 912 Broadway Street. Students choose from five entrée options and a drink every time they receive a kosher meal at Rimon. The Kosher meal plan provides 15 meals per week, plus Wavebuck$ to spend at other venues on campus. Students may also use their weekly meals at Bruff Commons Dining Room, Bruff To Go, Bruff To Go in the Drawing Board Café, the Roulez Food Truck, and the Orleans Room at Loyola.
